

# Membership Application

Thank you for your interest in becoming a friend of the St. Ignace Public Library.

The purpose of the Friends of the St. Ignace Public Library is to furnish public support to the Library Staff and the Library Board in areas such as raising money for the acquisition of materials and equipment, developing particular collections (for example: U.P. History), sponsoring and participating in other projects such as reading programs and supplying volunteers for routine needs of the library.

FOTL meets quarterly during the year. By volunteering and attending quarterly meetings, Friends of the Library can learn more about the library's resources and its needs and communicate this information to the community. Members can be as involved as they are able- meetings and volunteering is not a requirement to join.

We are currently running a three-tiered annual membership drive.
