

August 27—Special Meeting  
St. Ignace Library Board of Trustees

5:23 Meeting called to Order by President-Ruth LaChapelle

Present: Trustees —Jim Carnes, Deanna Draze, Ruth LaChapelle, Joe Power.  
Librarian—Sharon Crotser-Toy. Guests—Susan Carnes, Jim Draze.

Ruth LaChapelle presented the proposal for the project to control poison ivy in library gardens through the use of goats. The goat herder proposed to do a trial on the two small round gardens in front of the library for free. The goat herder would be present the entire time to keep goats under control. There would be no charge to the library. From this trial, a fee would be developed for future use of goats (if their use is successful). Gardens will be monitored to prevent any erosion issues.

Jim Carnes made the motion to contract with the goat herder for using goats to remove poison ivy on a trial basis. Joe Power supported the motion. Motion carried.

Joe Power made the motion to adjourn. Deanna Draze supported the motion. Motion carried.

Meeting adjourned 5:38
